

# Notice of Virtual Public Workshop

## Draft County Winery Events Policy

Permit Sonoma invites you to attend and provide input at an upcoming virtual public workshop regarding the development of the draft County Winery Events Policy. This effort is a countywide initiative related to agricultural zoning districts outside of the Coastal Zone. The workshop will consist of a presentation about the draft County Winery Events Policy and solicit public input on the draft framework for county winery guidelines via small group discussions.

Any comments on the draft policy following the workshop are appreciated by March 1, 2021.

### Virtual Public Workshop Details

Date: **February 18, 2021**

Time: **5:30 pm – 7:00 pm**

Workshop Meeting Materials are available at the Project Website:

<https://sonomacounty.ca.gov/WineryEvents>

**Members of the public can join the Zoom meeting application on their computer, tablet or smartphone.** The link for attending the Zoom meeting on a computer and the call-in and listen information for a smartphone are available at the Project Website:

<https://sonomacounty.ca.gov/WineryEvents>. Members of the public are requested to register for the workshop.

In accordance with Executive Orders N-33-20, N-29-20 and N-25-20, this public workshop will be conducted via videoconference only without a physical location from which members of the public may observe and offer public comment. Members of the public may watch, listen, and participate in the workshop through Zoom or by phone or submit written comment prior to the workshop as described below. Spanish translation and accessibility accommodations, including closed captioning, will be made available for this workshop upon request (more information in the registration link).

For more information about the workshop, to submit comments, or to review the draft policy documents digitally, please send an email to [PRMD-WineryEvents@sonoma-county.org](mailto:PRMD-WineryEvents@sonoma-county.org) or call (707) 565-1900, Option 5.

**The public meeting before the Planning Commission will be scheduled and noticed at a later date.**
