TERMS OF PERMIT APPLICANT AGREES THAT:

- 1) **Permit Sonoma Fire Prevention and Hazmat Division shall be notified at PRMD-2024-Hazmat@sonoma-county.org at least 48 hours prior to commencing work.**
- 2) **Any deviation from approved plan or permit without prior approval of the Permit Sonoma Fire Prevention and Hazmat division will be cause for stopping work until the changes are fully justified and approved.**
- 3) **This permit is subject to revocation if found to be in nonconformance with Sonoma County Code or standards of the Permit Sonoma Fire Prevention and Hazmat division. Primary contractor shall subcontract only as provided by the requirements of the Business and Professions Code and those requirements of the Contractor's Licensing Board.**

It is understood that the issuance of a permit in no way indicates that a guarantee of perfect and indefinite operation is made by the County of Sonoma, Permit Sonoma Fire Prevention and Hazmat division. I hereby acknowledge that I have read this application and state that the above is correct and agree to comply with all County ordinances and State laws regulating underground storage tanks. This permit shall expire by limitation if work authorized is not commenced within 365 days.

This permit must be signed by the primary contractor.

Signature of Primary Contractor _____ Date _____

Plan Approved by _____ Date _____

Not transferrable when approved, this is your permit.

Note:

- 1) A permit issued by the California Division of Occupational Safety and Health is required for certain types of excavations, trenches, construction and demolition work, and the local office should be contacted for permit requirements.
- 2) Contact either the Bay Area Air Quality Management District at 415-771-6000 or the Northern Sonoma County Air Pollution Control District at 707-433-5911 if construction activities will produce vapors which will be discharged to the air (ten days written notice is required).
- 3) The application for renewal of a permit or extension of an installation, construction, modification, abandonment, or provisional permit shall be made at least thirty (30) days prior to the expiration of such permit. If a timely application and fee have been submitted, the permit shall remain in effect until the Director has determined whether to grant, deny or modify such permit and any administrative appeal pursuant to this chapter has been exhausted.
