

**SEWER CONSTRUCTION PERMIT OWNER ACKNOWLEDGEMENT****SAN-001****PURPOSE**

To ensure property owners are aware and understand that under the applicable Sanitation Code the legal parcel owner or authorized representative of the business in ownership is required to sign this document acknowledging its obligation to pay for all services rendered including sewer permit fees, capacity or connection charges and annual sewer service fees

**ACKNOWLEDGEMENT**

Permit Sonoma, the permitting agency for Sonoma Water, reviews and inspects construction of sewer facilities on parcels within the eight (8) Sonoma Water managed Sanitation Districts and Zones. The Districts and Zones are identified on the Sonoma Water website <https://www.sonomawater.org/sanitation> For parcels within a Sonoma Water managed Sanitation District or Zone, a construction sewer permit is required for any work on sewer from the building cleanout to the sewer mainline and for any extension or modification of sewer mainline(s) to accommodate sewer access or capacity.

All sanitary sewer construction shall be in accordance with the "Design and Construction Standards for Sanitation Facilities" (latest revision) by Sonoma Water, and/or specific details on approved engineered plans.

All construction sewer permit applications shall include this acknowledgement signed by the legal owner(s) of the parcel served or the authorized agent of the business. This signed document constitutes an agreement to pay for all services rendered pursuant to that application; and to be bound by all rules and regulations of Sonoma Water, operator of the Sanitation District or Zone, including provisions, terms, and requirements of Sanitation Code and other ordinances and resolutions, and any plans and specifications filed with the application, together with such corrections or modifications as may be made or permitted by Permit Sonoma.

Current construction fee schedules are found on the Permit Sonoma website. Current connection/capacity and sewer service fees set by Sanitation District or Zone Ordinance are found on the Permit Sonoma website. An estimate of connection/capacity and service fees can be provided by request.

I, the undersigned, acknowledge that I am the owner or authorized representative of the property listed below and I further acknowledge obligation to pay for all applicable sewer fees and be bound by all rules and regulations of Sonoma Water, operator of the Sanitation District or Zone in which the parcel is located.
